CIRCULAR FOR 2024-25

Dear Parents, Families and Friends,

The academic session 2023-2024 has definitely been challenging for all of us, as we unlearned the old ways of many things and relearned several new ones. We are extremely proud of our young learners who have wonderfully coped with the overwhelming challenges and difficulties that came with an ever changing educational scenario. A word of gratitude for our ever supportive parents, who kept pace with the school and extended their full cooperation.

We at **KALYANI CENTRAL MODEL SCHOOL, KALYANI** look forward to step into the new academic session **2024-2025** with our eyes set at the zenith of success and glory.

In our school we have great and experienced teachers who spend hours for planning and executing different class-room activities to engage our students in learning. Our experienced Academic Team helps the teachers to utilize research based practices and analyze academic data to determine current skill levels and to set goals for growth and improvement of the students.

It is at **KALYANI CENTRAL MODEL SCHOOL, KALYANI**, the academic brilliance, of our students, reflects in their CBSE BOARD RESULT and various competitive exams including **JEE MAINS, ADVANCE, NEET, KVPY** etc. This success was only possible with cooperation of the brilliant faculty of KCMS and our supportive parents.

We have already introduced smart class facility in different classes for better understanding of the subjects with the help of modern technology.

We have well equipped Science, Computer, Geography, Maths laboratories and a very rich collection of books in our school library for enriching the knowledge of our students and we have also introduced our in-house App KIWI from classes Nursery to XII which is designed for better communication among students, parents and teachers.

The school is with an aim to be fair, open and honest when dealing with any complains. Parents, who have a concern or complaint, may normally discuss with the class teacher first. If the parents are not satisfied with the response of the class teacher, they can contact the Principal/ Vice-Principal.

Parents are also requested to visit the school website on a regular basis to keep themselves updated about the school activities and other details.

Once again, the academic year will be a year of setting and searching attainable goals, working harder and taking the school and students' achievement to the next level of "GREATNESS". I look forward to work with all of you and reach for newer academic heights. On behalf of the teachers and staff at **KALYANI CENTRAL MODEL SCHOOL, KALYANI** I welcome all the students on board and thank the parents for being a part of **KALYANI CENTRAL MODEL SCHOOL**.

With Regards,
Anup Kumar Adhikary
Vice principal
Kalyani Central Model School
